FURIOUS ITCHING
HUMOR ON CHILD

Bleeding Sores Covered Her Whole Body After an Attack of Measles—Nursed Every Night for Three Weeks—Nothing Helped Her.

THEN CUTICURA MAKES
COMPLETE CURE IN 5 DAYS

"It is in my opinion my duty to join those who praise the Cuticura Remedies. After my granddaughter of about seven years had been cured of the measles, she was attacked about a fortnight later by a furious itching and painful eruption all over her body, especially under the arms, of considerable size. She suffered a great deal and for three weeks we nursed her every night, using all the remedies we could think of. Nothing would help. We then remembered having heard so much about Cuticura Remedies. We sent for them and after twenty-four hours we noted considerable improvement, and after using only one complete set of the Cuticura Remedies, in five consecutive days the little one, much to our joy, had been entirely cured, and has been well for a long time. Mrs. F. Ruefensch, R. F. D. 3, Bakersfield, Cal., June 25 and July 20, 1906."

HUMOR ON FACE

Cured by Cuticura Remedies
No Return in 30 Years.

"My son, when a lad of sixteen, was troubled with humor on his face and after using Cuticura Remedies he was freed from every humor and has continued so to the present time after twenty years have passed. Your Cuticura Soap has been used in my family for several years and I have faith in the Cuticura Remedies. A. H. Smith, Marion, Mo., Dec. 1, 1905."

How to Mix Fertilizers at Home.

To any farmer who will write us, mentioning this paper, we will send free of cost, several formulas for making a first-class fertilizer at home, together with the cost of ingredients, directions for mixing, etc.

The Vermont experiment station in its bulletin no. 116 has the following to say with reference to the value of home-mixed fertilizers, as compared with the ordinary commercial brands: "On every account, however, financial, educational, agricultural, it is better to buy the crude stock and home-mix it if one uses a ton or more."

All up-to-date farmers should be interested in the subject of home-mixed fertilizers, and we are in a position to help them. Address Carroll S. Page, Hyde Park, Vt.
